Dear Robin & Wayne:

In reference to the call I made to your office concerning the sexual intimidation or harassment on July 26, I would like to file this as an official report.

At the first part of camp (in early June) the Program Director (Russell B. McDuffie) did one night - have all of the new staff members to unclothe and commit offensive sexual acts back at the staff row.

We were first alerted to this as a result of one staff member, (who was involved), receiving an injury from another encounter. His father upon talking to his son reported this incident to me and we immediately terminated the Program Director involved.

Please relay this information to the persons who need the information for record.

Respectfully submitted,

Clarence
